CHRISTMAS CONCERT

Our Christmas concerts were on the 6th & 7th of December. Huge effort from a lot of people goes in to making nights like these a huge success.

Thanks to the school staff, the Parents Association, those who donated prizes for the raffles, sponsors, Pat Marnane and Brendan Kerins.

A special mention to the stars of the shows—the children!!!

ALADDIN CONNECT

In early January the school will be rolling out the Aladdin Schools Connect to Parents/Guardians of children in our classes. Many of you who have children in the Boys School will be familiar with this as they have been using it for the last number of years.

The school uses the Aladdin Schools software service for administrative purposes and Connect will give you secure access to messages from the school and to details of your child's attendance, test results, report cards etc. via secure login from you internet browser or Aladdin Connect App.

Aladdin Connect is a fantastic way to enhance a school's communication with parents. It enables parents to stay connected and informed about their child's education.

You can rest reassured that Aladdin Schools uses state-of-the-art security to safeguard information entered by the school and data is stored and processed in strict compliance with Irish and European laws.
