FIRST HOLY COMMUNION 6/10/20

Congratulations to the girls who made their First Holy Communion on 13/10/20.

Maeve Cummins, Maria Durkan, Adele Fitzgerald, Caoimhe Heaney, Niamh Hyland, Elizabeth Julian, Evie Lawrence, Holly McNamara, Emily O' Connor, Sadie O' Connor, Emily O'Donnell, Kate O' Dwyer, Katie O' Sullivan

FEES

We would like to thank all those who have paid their school fees (€35) already and remind anyone who has yet to do so that they now fall due. If you wish to pay online our bank details are:

IBAN: IE87BOFI90593451108900. BIC: BOFIE2D. Please note that the school uses two IBAN's. The other one is solely for Book Rental fees.

TEXT MESSAGES

Just a reminder that you can receive messages by app as well as by SMS. The app is a more cost efficient means for us to send messages so we would encourage as many people as possible to download the app— textparent

MORNING DROP OFFS

We would ask that children are not dropped off too early in the mornings and remind you that the Board of Management does not accept responsibility before 9.20am. Also children that are dropped off early have to stand in line for a long time.

COUNTY CHAMPIONS

There was great excitement in the school on **Friday 25th September** when members of Rockwell Rovers GAA Club brought the County Intermediate Football cup which they recently won. Well done to all involved!

SHOEBOX APPEAL

As you may know we usually hold a shoebox appeal every October. This year, due to Covid 19, we are unable to do this.

However, the appeal has now gone online. Please visit www.Team Hope.ie where you can build and personalise your own shoebox.

HALLOWEEN

Children are dressing up on Friday for Halloween. We ask that all children bring in €2 so that each classroom can make up a shoe box online -

www.teamhope.ie

Please visit our website for images of all the fancy dress

BIRTHDAYS 1/9/20 - 31/10/20**JUNIOR INFANTS**

Maths eyes competition

5th and 6th class girls will be competing in the maths competition where they take a photo around the school yard and write a maths question about it. Here are two examples. Can you figure out the answer?

3rd to 6th class pupils will be participating in the Bebras Challenge this year. The competition is a series of computational thinking questions. We have been and will be practising in class for this using the tablets. It is really hard but good fun.

All competitors will receive a certificate of completion and a chance to progress to the finals.

Here are some images of Halloween art from different classes. We love Art in school and can be as creative as we want. The school is always decorated with Art and it is always brilliant to view the finished pieces. !
