NEW ENTRANTS 2011—2012

Welcome back to everyone for another year of learning & fun. We extend a special welcome to our new junior infants and of course to Senan McMahon who joined us in 1st class all the way from Co. Clare. We hope everyone will have a good year and grow in wisdom and friendship.

What's coming up:

Girls from 3rd - 6th will be traveling to Thurles to take part in a cross country competition on **Wednesday 28th September**. The girls are currently busy training as they will be running 800m

and 1000m. Training takes place in school and **every Monday and Wednesday** in the G.A.A. field **5.15pm - 6pm** with **Mary Doyle**. We wish the girls well in this competition

which is good preparation for another cross country event that usually takes place in early October in Clonmel

Visitor

On **Friday 9th September** we had a visit from **Eilís Duggan** (Psychologist, Ps.S.I.) who spoke to all the children about making friends and having respect for others. She also spoke about bullying and being bullied and the importance of including everyone and not hurting other people's feelings. The children all loved having a visitor to school and hopefully her visit will have been of benefit to everyone

Cross Country Teams

Information night

On **Monday 19th September** there was an information night for parents of junior infants in Mrs. Ryan's room. This was an opportunity for new parents to meet each other as well as seeing what goes on in the infant room. The **Parents Council** also provided a cup of tea after-

wards and everyone enjoyed a very informal meeting. A word of thanks to the Parents Council for providing the refreshments on the night and a special word of thanks to the

"three Daddies" who changed the puncture in Mrs. Ryan's car! - You never know what you might be asked to do in
