Dear parents,

As you aware, we are having our book collection this Wednesday 13th January between **11am and 1pm**. We would ask every parent to enter the school at the convent side and use the main door of the building at the front. There will be a one way system in operation during collection. Please adhere to social distancing guidelines. Everyone is required to sanitise and wear a mask at all times.

Each teacher has compiled a weekly list of activities for their class. Again we would like to remind you that there is no pressure to complete all tasks. We would love to see samples of students work uploaded to SEESAW. This is used as an E-Portfolio for each child. SEESAW will be used as the means of communication between home and the class teacher.

Direct links to this week's tasks are linked below: (We acknowledge some of the activities this week are based on books collected Wednesday so it may be a good option to complete other tasks first)
