Dear parents,

A very happy new year to you all. Unfortunately we are in the position of remote learning yet again and recognise the frustration and organisational problems this brings to every household. Like last year, we will be using the SEESAW platform and school website to inform you of weekly 'homework' assignments for each class. We realise that every household is different in their ability to access I.C.T. equipment and with that in mind we hope you will do your best to complete as many tasks as possible each week but understand if this isn't possible. Please god we will all return on February 1st and this is only a temporary intervention.

We are going to have a collection for workbooks on **Wednesday 13th January** between **11am-1pm**. We will be using the two infant classrooms as collection points and there will be a one-way system in place, similar to last year. I will give more details on this early next week.

Each teacher will upload their weekly tasks on the school website www.newinngirlsschool.ie in their individual folders at the beginning of each week. Direct links below

Ms Bourke <http://www.newinngirlsschool.ie/ms-bourke-wallace/>

Mr Mc Loughlin <http://www.newinngirlsschool.ie/mr-mcloughlin/>

SEESAW will be used as a communication tool between home and the teacher. **Samples** of children's work can be photographed and uploaded each week.

If anyone has any queries about SEESAW please email the school at info@newinngirlsschool.ie and I will endeavor to address this ASAP.

Thank you for your continuing co-operation in difficult times.

Stay safe and well and hope to see you soon.
