Dear Parents,

Homework will commence on Monday 12th October. Each classroom will have their own individual system in place. SEESAW will be used as communication between home and school.

An individual QR code is being sent home for each family. Children will have these codes in their bags by tomorrow evening.

How to set up SEESAW?

1. **Download 'Seesaw Family'** from the App Store or Google Play Store. Don't have a smartphone? Sign up on a computer at app.seesaw.me.
2. **Tap 'Create Family Account' and scan the QR code** on the handout. Make sure it says your child's name at the top.
3. **Create your account to see your child's journal!** Make sure to allow notifications to get real-time updates about new posts.

The family guide below gives a step by step process of uploading to your child's online folder.
