New Junior Infants

Dear Parents,

As you will know school is re-opening on Wednesday 26th August. Many of you will be apprehensive about sending your child to school for the first time. It is a pity we didn't have an opportunity to invite you and your child into the school beforehand as we would normally have done.

We have made arrangements on the first day to help settle the children into their new learning environment. These are as follows:

A staggered start time for new entrants on the first day

9:40am - 10:00am for those children who have siblings in the school already.

10:10am - 10:30am for new families to the school.

During this short induction, your child will be met by their class teacher and the principal. Parents are permitted to walk their child to the school yard (at the back of the school) but will be encouraged to leave ASAP to allow the child to settle independently in the classroom.

On Thursday and Friday, the class teacher will meet the children at the entrance gate (nearest the after-school club) and guide them to their line. We know this may be difficult but we would appreciate your co-operation as we are endeavouring to adhere as much as possible to HSE and Department guidelines.

From **Wednesday 26th August - Friday 11th September** children will leave at **12 noon**. This is to facilitate staggered break times for the other classes.

If you have any query or concern, please email info@newinngirlsschool.ie
