

Hi to everyone this week, week 2 of lockdown learning.

From all the great work that you posted on Seesaw last week I can see how hard you are working, so well done to everyone. If you are unable to access I.T as much as you would like during lockdown, please don't panic, just do your best and try as hard as you can to keep up with all the workbook assignments. I will be posting short video tutorials to accompany some workbook pages and activities on Seesaw to help you with your tasks.

Don't forget, you can dip in and out of your fun pack whenever you like, it is completely optional.
