Dear Parents,

Below is details on a fantastic community project which involves both primary schools in the locality. This initiative will help brighten up the area nearing the Christmas period and add much needed brightness and warmth to the end of 2020.

After a very successful scarecrow festival this year New Inn Festival Committee and Tidy Towns have come together and are organising “ Light Up New Inn”. We want to add some Christmas cheer and light up the village but we need your help. To fund this project we are asking the community to help out and get involved. By clicking the link below you can donate and help us purchase the lights and decorations that will be used and reused each year. We are also planning some other events but have to wait and see with restrictions. Thank you and we look forward to brightening up a different and difficult year.

The GoFundMe page can be accessed at <https://tinyurl.com/yxbgx83z>
