Dear parents,

Thankfully we received good news this week from the Department that the remaining children from 3rd-6th class will return to school on Monday 15th March. We were thrilled to see so many happy faces over the past two weeks as children met their friends and teachers after 3 months.

We would ask all parents to remind children about the importance of hand hygiene , cough etiquette and social distancing. Below are links for parents to view/read about the return to school for their child:

**In line with HSE guidelines, can all children from 3<sup>rd</sup>-6<sup>th</sup> class bring their books copies etc. back on Monday in their bag. The bags will be left closed in school until Wednesday where they will be in quarantine. Children should bring their lunch in a separate bag.**

We would also remind parents **not to** congregate when collecting their child. Children will return to the same zones/systems that were in place during the last term.

Thanks so much for your co-operation and we hope everybody has a safe and happy return to school.

Mise le Meas,

Tomás Mc Loughlin.
