

October 2021

Dear Parents

Let's put the **FUN** back into **FUN**draising!!!

We are delighted to be reintroducing a fun and simple fundraising initiative called.....

"Split the Pot"

Your children will be bringing home their first "Split the Pot" envelope this, and every, Friday afternoon. We would ask you to simply write either your child's name or your family's name and a contact number onto the envelope and place €2 into the envelope and seal. Children will bring their "Split the Pot" envelopes to school on a Monday morning and place it into the "pot".

Pupils in 6th class have kindly volunteered to utilise "Split the Pot" as a learning opportunity. They will count and record the takings of which 50% will be automatically given to the school to be used for school expenses. The remaining 50% will be placed back "into the pot" and a draw will take place at 2:00pm on a Friday afternoon. A student representative will be chosen to draw the winner, starting with the Junior Infants class on Week One. Our "Split the Pot" winner will be announced on the Friday afternoon and a text sent to the mobile number written on the envelope with the amount they have won. The winners will also be included in our school newsletters. In the event the "Pot" is brimming, Parents Council Committee will use their discretion and may choose to draw two winners on that particular week.

Every Sunday evening you will receive a text from the school reminding you to bring in your "Split the Pot" envelopes. You might like to enter more than once as relatives or other family members might like to be included in the draw. Additional envelopes can be obtained from the class teacher or the school office when attended.

We trust that you will enthusiastically support and enjoy this new fun fundraiser and we look forward to "Splitting the Pot" with you.

With thanks
