

Tipperary Children and Young Peoples Services Committee (CYPSC) is a county level committee that brings together the main statutory, community and voluntary providers of services to work together for better outcomes for children and young people, aged 0 - 24 years. It provides a forum to identify and plan for key priority issues, and to ensure that the key needs of children, young people and their families are being met.

The Tipperary CYPSC web-site provides an on-line directory with comprehensive up-to-date information on all services for children and young people in the county.
